

## R.E.C. Transfer Student Counseling Package

(includes unlimited student-counselor meetings)

The prospect of transferring from one college to another can be stressful and exciting all at the same time. The hardest part is the lack of guidance available for a transfer student with no high school support system to back them up. Each college has their own transfer requirements, differing application deadlines, and different ways of defining who qualifies as a transfer student.

Sally Roemer understands the nuances involved when transferring schools. With the R.E.C. Transfer Counseling Package, Sally Roemer supports your transfer student throughout the entire college transfer search and application process with the goal of landing them at a school where they will be happy, successful, and finally settled. The R.E.C. Transfer Student Counseling Package includes:

- ❖ A personal discussion of what prompted the desire for the transfer and what the student hopes to achieve from transferring;
- ❖ A review and evaluation of grades, test scores (if applicable) and transcripts;
- ❖ A presentation of suggested *Best Fit* colleges including the reason for each college's inclusion and outstanding college features as they pertain to your transfer student;
- ❖ Complete application oversight including guidance through the Transfer Common Application, The Coalition Application, and other individual transfer college applications;
- ❖ Complete assistance with brainstorming, developing, and editing a personal statement up to 650 words;
- ❖ The development of a detailed student college application resumé designed to present your transfer student in the most favorable light;
- ❖ Regular face-to-face, Zoom, and phone meetings as required;
- ❖ A discussion of financial parameters as required;
