- ❖ On-going email and text dialogue throughout the entire process;
- ❖ Preparation for admissions interviews as needed;
- ❖ Advice on final enrollment decision-making.

### **Additional Essay Coaching Services\*:**

If your student needs assistance with any additional supplemental essays not included in the above package, essay coaching services may be provided at the rate of:

- **50 cents per word** (essay word limit)

\*Additional essay coaching services are offered depending on availability of associated R.E.C. essay editors. Please note that the editor for your supplemental essays may be different from your personal statement coach.

### **First Draft Submission Deadlines:**

To guarantee professional editing services, ***first drafts of essays must be submitted to associated R.E.C. essay coaches 30 days in advance of each application deadline.*** If the first draft is submitted after the 30-day due date, editing will be completed on a time available scenario. First priority will be given to students who submit drafts in a timely fashion. Please note that less time spent writing and editing generally translates into a lower quality product.

**NOTE:** Roemer Educational Consulting, LLC and associated subcontractors abide by all ethical rules and regulations as specified by the National Association for College Admissions Counseling (NACAC) and the Independent Educational Consultants Association (IECA). We provide professional essay coaching and editing services but do not write essays or complete applications for the client.
