

## COVID-19 Crisis Counseling Package

(90-minute Zoom meeting for 11<sup>th</sup> and 12<sup>th</sup> grade families)

After a preliminary evaluation of your student's transcript and resume, and a personal discussion of what has transpired for your student and family since the onset of the COVID-19 pandemic, Sally Roemer will help your family gain a better understanding of:

- ❖ How are colleges dealing with the COVID crisis and how may that impact my student's college life and decision-making process?
- ❖ What will colleges think of my student being educated online?
- ❖ Has the COVID-19 pandemic changed how many colleges my student should apply to?
- ❖ How does my student's extracurricular profile look from an admissions point of view?
- ❖ What do we do about the absence of activities during the pandemic?
- ❖ How will limited ACT/SAT testing opportunities impact my student's chances of admission?
- ❖ Has the importance of college application essays changed because of the pandemic?
- ❖ What is the new COVID question on the Common App and should my student respond to it?
- ❖ Does it matter who my student asks to be his/her teacher recommenders?
- ❖ Has the pandemic impacted my student's chances of admission at public vs. private schools?
- ❖ Any other questions or concerns?

**R.E.C. Pandemic Package :      \$249\***
